# Course Information Neonatal Resuscitation for Perianaesthesia Nurses

## About Our Course:

Our Neonatal Resuscitation for Perianaesthesia Nurses course provides the knowledge and skills required to effectively assist in the resuscitation of a neonate following cesarean section. This face to face program is delivered in small participant numbers to maximise your exposure to leading the management of a resuscitation. Our program is ANZCA PS08 compliant.

## Who is the Program Designed for?:

Our Neonatal Resuscitation workshop is designed with Registered Nurses in mind but is also suitable for enrolled nurses, anaesthetic technicians and students who wish to enhance their knowledge and skills in neonatal resuscitation.
